

DAY 4

Dear parents and carers,

Another fantastic day in the sun! We have been so lucky with the weather so far because we have had nothing but clear blue skies since Friday which allowed the children to fully enjoy the outside areas.

The children have established their routines and are becoming more and more confident in their daily farm tasks.

Today they had the chance to purchase their souvenirs in the farm shop, which will be given to the children before they leave.

We have just come back from our first evening shift and we are now ready for our hot chocolate. After that we will write our diary entry for the day and will get ready for bed. Tomorrow we will have a full on day as we are going to visit St. David's Cathedral and the surrounding area. We will be having a packed lunch as it will be a long walk but there will be a nice ice-cream waiting for us. Don't worry, the children are getting used to long walks, especially because the views here are breath-taking!

Best wishes
St Cuthbert's Team
