Year 6's Blog

Welcome to Year 6's amazing blog!

This year us year 6's have completed our SATS we had English, reading, spelling, grammar and maths our results were extremely impressive for our class and all of our teachers were also very impressed for how our SATS went. They were very proud of us all and so were all of our parents.

SPANISH RESTURANT

On Monday our class and our teachers took us to a Spanish restaurant in Hammer-smith to taste different traditional Spanish foods such as calamari, bread and tomato sauce, paella, tortilla, spicy potatoes and even meatballs with rice and sauce. We also had a Spanish work shop with learning how to do traditional Spanish dances with someone playing guitar in the back-ground. After we finished eating the man who made us the food was kind enough and gave everybody a sweet.

DATES FOR YOUR DIARY:

- Term ends –24 July
- New term –4 September.

Emily Schmidt YN
"We all have golden medals, because we cheered for each other on sports day."

ROYAL ALBERT HALL

On Tuesday we went to the Royal Albert Hall to sing in front of 2,500 people some of our parents came to watch us sing we had to pay 5 pounds for a shirt that said "I sang at the royal Albert hall in 2024. We were at the royal Albert hall from 1:25 to 9:15 we left the school at 12 o'clock at lunch time

SPORTS DAY

On Thursday we went to Holland park with the whole school and did lots of activist with the whole school in the sunshine such as bean bag throwing and racing. *By Ali and Cole*

Ali YR *"We went to the Aquarium and saw baby dolphins, jelly fish and penguins. One of the penguins fell in to the water and it was so funny."*

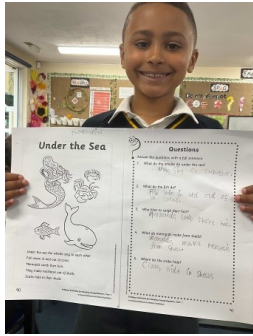

Good Samaritans

Lyla from Year Y4, is this week's Good Samaritan for picking up rubbish in the playground.

*"Never say never because limits,
like fear, are often just illusions!"*

Michael Jordan

Nathaniel Y1 *"For English we are answering questions from a text called Under the Sea using full sentences."*

Year 4's Blog

Welcome to Year 4's marvellous blog!

In English, we have been learning about speech. We got a sheet of paper about a chapter of Fantastic Mr fox. We got four highlighters and we used one of the colours for adjectives, one for verbs, one for adverbs and the last one for nouns. We also recalled all of the parts of speech.

In Geography, we are learning about sketch maps and directions. We look at pictures of our countries. Then, we all drew a sketch map of a place of our choice. When we had finished we coloured it in with colouring pencils.

In Art, we have been learning about sculptures. We had some iPads and we found a image that we wanted and then made another art sculpture because some of ours broke and some of ours were wobbly. Then we evaluated what we had made and what we liked and disliked and then we said what was hard to do.

In Maths, We are learning about number lines. We did two sheets of number lines and then we copied them into our books. At the end some of us got to go to Miss Putterill's office but only if we did a whole page.

In RE we've been learning about different liturgies. We read a prayer that says "Almighty God, we thank you for feeding us with the body and blood of your son Jesus Christ. Through him we offer you our souls and bodies to be a living sacrifice. Send us out in the power of your spirit to live and work to your praise and glory. Amen." Then we added the meaning of some phrases and then we acted out that one person was a poor/old person and another would play a rude person and the last person would be a priest.

BONUS: On sports day/11.7.2024 we did lots of different actives such as: a race, beanbag tossing, sack race, marathon.

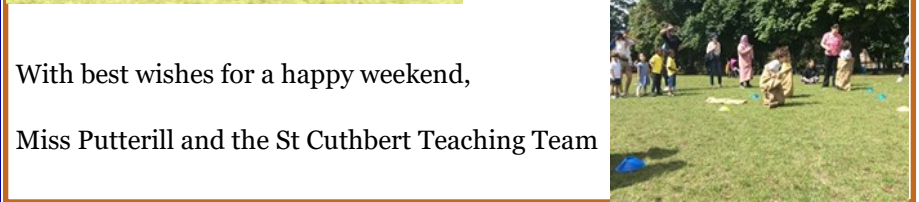

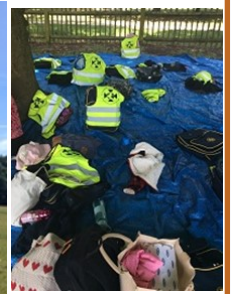

By Sarah and Malak

Head Teacher's Letter

Dear St Cuthbert children and parents,

What an amazing sports morning we had yesterday – a huge and sincere thank you to Mr Sorin Dinu for masterminding the morning, and to the staff team for their support! Another THANK YOU to the many parents who attended - how lovely to see everyone having such a great time. And incredibly, the weather behaved beautifully, enabling us to enjoy one of our summer activities in sunshine!

I think it will be perfect to share some photos of our morning for those who were unable to attend. So here we go...

With best wishes for a happy weekend,

Miss Putterill and the St Cuthbert Teaching Team

Year 5's Blog

Welcome to Year 5's exciting Blog! ☺

In English, we were writing topic sentences for paragraphs about Pac-man reports. Topic sentences work like sub headings and it introduces the paragraph or topic. After that, we did a challenge. The challenge was to create an introduction and a conclusion paragraph about a Pac-man report. (Non-fictional). Conclusion means the ending paragraph. E.g. of the topic sentence 'this is a one player game.'

In Maths, we were learning about equivalent fractions, decimals and percentages. For example $0.97 = 97/100 = 97\%$ and $0.33 = 33/100 = 33\%$. After that we converted the fraction into its simplest form. We did that by dividing the number. For example, $30/100 = 3/10$. (Divide by 10). We then answered questions about percentages.

In RE, we were continuing what it means to be a Muslim in Britain today. We created a mind map about the challenges that some Muslims might face. We also learnt about what diversity means. It means people come from different background and live together in peace and harmony.

The Royal Albert Hall

Year 5 and 6 went to the Royal Albert Hall to sing with other children from different schools. First we sang the songs we had practised. We also rehearsed some more songs once we got there. Then we watched other performers dancing and singing. We finally sang for the audience. Which was a lot more fun! *By Hannah and Marjo*

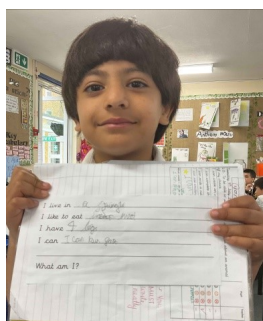

Our beautifully flourishing garden.

Sizar Y2

"We went to Gambado and we nearly two hours. My favourite

activity was driving the bumper car."

Haidar Y2

"In English we wrote a riddle poem. It was a 'who am?' riddle. Mine was about a

cheetah."

Jai Y1

"We went to Holland park for our sports morning.

We all tried our best to win. My favourite ones were the running and bean bag race."

Year 3's Blog

Welcome to Year 3's spectacular blog!

In English we wrote the meanings of the key words we learnt. Words like preposition, conjunction, prefix subordinate clause and direct speech. E.g. prefix is a letter before a word that changes the meaning. Such as the word safe changes to unsafe with the prefix un. We then watched a little bit of Fantastic Mr

Fox. And we identified adjectives, verbs, adverbs, and nouns from the same story on part of a speech.

In Maths we ordered numbers on a number line. We went up to 1000 and 10000.

We then watched a video to learn how to count backwards in 100s. We also figured out how to spot the biggest and smallest number on the number line.

In Art we started to actually do decoupage. We previously designed our own art works using different techniques. Then cut out the printouts we wanted and stuck them on a paper plate to make our decoupage.

In RE we have been learning about the 'I am' statement that Jesus made. This week we looked at the meaning of 'I am the good shepherd'. We wrote down the characteristics of a shepherd, which are responsible, nurturing, compassionate, kindness, alertness, and helpfulness- as salvation. Jesus is the good shepherd because he has the same characters and is always looking after us.

Sports day

On sports day we did lots of activities and games which were so much fun. First we walked to Holland Park and got really tired. Then did competitions such as marathon, sack race, sprint, and bean bag race. We then had a break and had snacks. After that the parents and teachers had a race. Miss Proctor won the race. It was a lovely morning! *By Tala and Yuxaun*

'As a school community we are inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another courageously and with compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.'

Loving one another. Learning for our future.

STAR LEARNERS OF THE WEEK

Congratulations to you all!

- YN Alenso For showing much enthusiasm during Sports morning.
- YR Ahmed For showing great sportsmanship during Sports morning.
- Y1 Louis For flourishing in his Maths learning.
- Y2 Joana For being a fantastic team player.
- Y3 Christina For fantastic effort in Maths.
- Y4 Raya For hard work and perseverance in English.
- Y6 Whole Year 6 For fantastic SATS results! I am so proud of you!!!

HOTSHOTS OF THE WEEK

Congratulations to you all!

- YN Tristan For participating in Nursery songs.
- YR An-Yi For his dedication to learning the lyrics of our class song.
- Y1 Selina For always completing high standard homework.
- Y2 Ahmed For completing high standard homework.
- Y3 Christian For an amazing rainforest project.
- Y4 Sarah For consistent effort in her homework.
- Y6 Terye and Ammar For showing determination during learning.

There will be exciting prizes, for the right answer to this week's puzzle handed in on **Thursday**. Please write your name and answer on a separate piece of paper. **Good luck!**

DOUBLE PARKING
Please can parents respect our request not to double-park at drop-off and pick-up times. This creates danger for our pupils and blocks exits and entrances for residents. If this issue persists, the residents will take action by asking the council to block the road.
